M I Chambers BSc Deputy Head, Director of Studies

MIC/DMG

January 2020

Dear Parents/Carers

MFL Language Options for Year 8

In Year 7 your son is currently studying French, Spanish & German on a rotation basis. By now he will have experienced all 3 of the languages.

In Year 8 your son will carry on with two of these languages alongside each other. We therefore now require your son to choose two languages he would like to carry on with next year.

At the end of Year 8 your son will be able to carry on with both of these languages or opt for Ancient Greek as an alternative to one of the languages.

Please give this matter careful consideration and indicate your son's choices on the slip below.

This should then be returned to Mrs Gibbon in Wyresdale House by Friday 31st January 2020. Alternatively you can email her at dgibbon@lrgs.org.uk

Yours sincerely

Mr M I Chambers
Deputy Head – Director of Studies
