Careers Fair

We were delighted to welcome over 30 universities, employers and apprenticeship providers to our biennial Careers Fair last week. It was excellent to hear glowing feedback from visitors about our pupils’ questions and engagement. I hope that all of those conversations and prospectuses have planted some seeds for the future!

Coronavirus

Our thoughts and best wishes are with our Hong Kong boarding families at the moment as they face concerns over Coronavirus, and with children currently unable to return to Hong Kong. We are following and circulating advice from Public Health England and the Boarding Schools Association as we support our students.

The Parents’ Guide to ...

The “Parents’ Guide to ...” range includes *GCSE revision, A-level revision, Degree Apprenticeships, University, and Results Day* amongst others. We are happy to recommend these guides which contain much helpful and clear advice.

They can be bought from: www.theparentsguideto.co.uk/guides. There is a 15% discount for parents if you use the code LRG15. (The school does not derive any financial benefit!).

Friends Shop

The Friends School Shop is open after school on Fridays (3:30-4:30pm) and on Saturday mornings (10-11am) by the Bay View gates. Thank you to our volunteer parents and grandparents who staff the shop! Some warm **ski gear** has been generously donated. We would be delighted to receive more, as well as further donations of **school uniform** and **sports kit** for PE, Rugby and Rowing, as well as trainers, spikes and boots! Please drop in and have a look.

With all best wishes ~ Dr C.J. Pyle
