

LRGS U13B 85 v 5 Wirral GS U13B

LRGS continued their unbeaten season with a remarkable performance and also racked up their highest score thus far. Despite contending with a much larger forward pack on a small pitch, they put in some huge tackles and were able to move the ball swiftly away from rucks and mauls, to feed their speedy strike runners to devastating effect. The destroyers in chief were Jackman , Martin and Kassim, who ran in five tries each. Backhouse and Osmond also scored tries and it was a complete team performance, with a winning score that does not reflect how hard the team had to work in defence.
