Mr R M Lemon

17th March 2020

Dear Parent/Guardian,

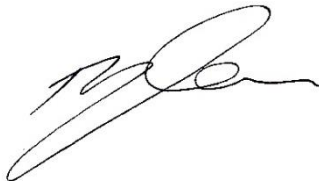

In light of the current situation regarding Covid-19 and minimising the spread of the virus I have taken the decision to cease practical work in school due to the sharing of personal protective equipment and tools.

In order to facilitate the completion of both GCSE and A-level coursework these groups only will be permitted to continue working with the workshop equipment, if required.

To ensure everyone's safety we will provide everyone with their own goggles and gloves which they must keep safe and clean. All students must wash hands prior to and after all workshop sessions and tools should be wiped down with anti-bacterial cleaner prior to use.

If you have any further questions, please contact me using the details above.

Yours faithfully,

Mr. R M Lemon

Head of Design & Technology
