June 2020

Dear Parent

We are delighted that you have chosen LRGS for your son's secondary education and we are really looking forward to getting to know him over the years.

At this time in the school year we would normally be contacting parents to ask for help in providing the wonderful range of out-of-the-classroom activities at school. In these extraordinary and uncertain times we still want to ensure that we continue to provide the very best opportunities for your son as well as for other pupils. As we develop safe ways to take care of our pupils, we are very much aware of the importance of extra-curricular activities in improving physical and mental wellbeing. We will work within social distancing and safety measures to fulfil our ambition to provide excellent sporting and cultural experiences for every pupil.

Government funding provides the school with the resources for day-to-day teaching and learning. It does not contribute towards the wide range of extra-curricular activities we provide. Whether it is a local sporting tournament, a regional competition or a national quiz, we wish to keep offering these exciting and challenging opportunities to our pupils. In order to do so, we need to raise all of the costs ourselves and we ask every parent, who possibly can, to donate to the Annual Fund. The need for help continues and is even greater now as some of our families may be struggling and not able to support their children as they would wish.

I urge you to read the Annual Fund leaflet which provides more information. If you can help us, please return the donation form as soon as possible, preferably no later than 30th June. You can return the form by post or, if you prefer, scan and email to development@lrgs.org.uk.

Should you wish to discuss your giving or have any questions please get in touch with our Development Office staff by email development@lrgs.org.uk

Thank you so much for your support and I look forward to seeing you in the not too distant future.

Yours sincerely

Dr C J Pyle
Headmaster
