Information for Children, Young People and their families. Collection of Health Assessments/Questionnaires at Year 6 and Year 9

Lancashire County Council and Blackpool Teaching Hospitals/ Lancashire Care foundation trust are a data controller for the purposes of the Data Protection Act.

During Year 6 and Year 9 pupils will be asked to complete a Health Needs Questionnaire on a controlled, secure and protected web-platform.

The purpose of collecting this information is to allow:

- School Nurses to offer you support to address individual health needs, School Nurses will be the organisation who has access to your individual information, in order for them to identify who may require further support or who require their services. School Nurses adhere to standards of confidentiality unless they have cause for concern around safety issues. The School Nurses will keep a record within your Child Health Record if you do require any further support or guidance. This will also allow school nurse will understand the health needs of schools.
- The information collected from questionnaires will also be used to form a report for your school, this is anonymised information, in order to support schools in understanding health needs of their school and allow them to target resources appropriately.
- The local authority being Lancashire County Council will also use this information at an anonymised level in order to understand and address the population health needs of children and young people in areas of Lancashire and make appropriate plans and actions.

If you need more information about how the local authority or Blackpool Teaching Hospitals NHS Foundation Trust store and use your information, then please go to the following websites:
