Dear Parent/ Carer,

Author Teri Terry, best known for the 'Slated' series will be in school on Thursday 28th February and will be talking to all year 7 boys about her books and the writing process. Having a successful author in school is inspirational for the pupils.

Our friend Elaine of Silverwood Events is bringing her to us and books will be available for sale. Teri will sign and personalise the books. As this is likely to be a very busy event, we would like to take advance orders to speed things up on the day.

These will be the books available:

'Fated', new paperback, prequel to the 'Slated' series

'Slated' (first in 'Slated series)

'Fractured' (second in 'Slated' series)

'Shattered' (third in 'Slated' series)

'Contagion' (first in 'Dark Matter' series)

Please fill in the slip below if you would like to reserve books for your son and enclose cash or cheque (made payable to **Silverwood Events**). **Boys should bring the reply slip to me in the library.**

Yours sincerely,

Mrs J Denwood
LRGS Librarian
